

**Assumption of the Risk and Waiver of Liability Relating to
Coronavirus/COVID 19**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state and local governments and health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

The JATC has put into place preventative measures of sanitation and distancing to reduce the spread of COVID-19 at this testing facility; however, the JATC, the Alabama Board of Electrical Contractors (“Board”) and/or the PROV Testing **cannot guarantee that you or anyone you come in contact with will not become infected** with COVID-19. Further, attending the JATC testing site to sit for the electrical contractor or journeyman’s examination could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending the testing facility to sit for the exam and that such exposure or infection may result in personal injury, illness, permanent disability, or death to me and/or to those people I come in close contact with. I understand that the risk of becoming infected by COVID-19 at the JATC facility may result from the actions of others, as well as my own actions. **I also acknowledge that I am willingly and voluntarily attending the testing site today of my own free will and volition, and I understand that the Board will allow me to postpone taking the examination until December 31, 2020 with no additional costs incurred by me.**

I voluntarily agree to assume all risks and I accept sole responsibility for contracting COVID-19 that could incur as a result of attending this test site. I hereby release, hold harmless, and discharge from all liability the JATC, the Board and PROV from all liabilities, claims, actions, damages, costs or expenses of any kind, whether I contract COVID-19 infection before, during or after my attendance at this examination.
